PROGRESS

NOW

1950?

AND TO COME

In the years that we, the seniors, have been going to school, there have been many changes made during our four years. The rules of Student Conference have been changed for the benefit of the students.

The class hours have been changed from seven periods to six periods a day and from forty-five minutes to one hour in length. Elections have become more popular, and usually a lot closer. And as a whole, the school has undertaken a number of changes which are: school picnics, basketball dance, and having 3 lunch periods.

Therefore, we would like to show our apprciation for these changes by making the theme of the Wecomi this year PROGRESS. The teachers are the leaders of Progress, who do their best toward educating the students; the Board of Education the foundation of Progress, who supervise the working of the school; the seniors are the height of the students of Progress; and the underclassmen are the beginners of Progress, who are just at the beginning of the long climb up to the class of seniors.

We hope that you will be reminded of some of these things as you read this Wecomi now and also when you read it many years from now.

Mr. Herbert H. Hodges

M. F. ROBERTS

"M.F." was born just outside of Philadelphia an odd 100 years ago. It seems he has traveled a great deal and has built up a storehouse of information to relate to us in his classes. Somewhere in those travels he acquired the ability to make all of the puns for which he is so famous. We hope that some morning he will wake up and find he is the proud owner of a yacht so that he can go sailing to his hearts content.

MR. K. K. TIBBETTS

Mr. Tibbetts was born in Salem, Iowa. He attended Oberlin, the University of Minnesota, and the University of Chicago where he received his A. M. His ambition is to have an addition on W.C.H.S. A step has been taken in the right direction since we have purchased "Tibbett's Field." We would like to thank "K.K." for showing a personal interest in all of us.

MR. D. C. BURGER

Mr. Burger keeps all activities around W.C.H.S. going at top speed with his new ideas. His love of hunting and fishing not only fills the wee hours of his mornings, but also often show themselves in the form of problems in physics tests. He can be sure his amazing patience with us doesn't go by unappreciated. If you're ever looking for a topic of conversation with "D.C." just mention the name "Kiki" and you'll have no trouble.

FOUNDATION-OF-THE-PROGRESS

SCHOOL BOARD—*Back row:* Mr. Tibbetts, Mr. Player, Mr. Kimbell, Mr. Burt, Mr. Dunakin. *Front:* Miss Raap, Mr. Coats, Mrs. Helfrich, Miss Cooley, Mr. Fischer.

OFFICE STAFF—Mrs. Butcher, Miss Ruby Raap, Miss Irene Stafford.

Left picture

We, the student body, appreciate the interest the Board of Education has shown in the problems of our school. The year of '44 and '45 has seen many improvements by the school board headed by Mr. Burt, the president.

The members of the high school board of education, district No. 95, are as follows: Henry Jackson Burt, President; Constance L. Cooley, Secretary; Carlton L. Fischer, Robert R. Kimbell, and John M. Player.

The members of the Grade school board of education, district No. 36, Paul H. Dunakin, President; Elsa F. Helfrich, Secretary; Hugh Coats, Harold S. Brown, Henry Jackson Burt, Constance L. Cooley, and Robert R. Kimbell.

Right picture

The Office Staff: Everyone from the green freshmen to the experienced Seniors has found the office staff, Mrs. Butcher, Ruby Raap, and Irene Stafford, a very handy trio when in trouble. Their friendly attitude and willingness to help has won them the friendship of many students. For most of us, our first acquaintance with Mrs. Butcher was when we, as freshmen, were lost in this great big school. Finding her a very handy person to have around, we imposed upon her good nature a little more each year until we fear that she will be glad to be rid of us.

TEACHERS—*Back row*—Mr. Vaugh, Mr. Colin, Mr. Faust, Mr. Poe.
3rd row—Mr. Corbin, Mr. Hodges, Mr. Roberts, Mr. Tibbetts, Mr. Burger, Mr. Sandholm, Mr. Garner.

Miss Felgar—Through her guidance we have found the budding poets of tomorrow.
Miss Cowen—Through her efforts, G.R. has always been interesting.
Miss McCormick—A kindly advisor, who has inspired many in their writing careers.
Mr. Vaughn—Keeps his classes interesting with his stories and new ideas.
Miss Montgomerie — Our efficient librarian whose help we could never do without.
Mr. Colin—Everyones favorite, who has brought us winning teams in sports.
Mr. Faust—The mysteries of chemistry and the annual are amusingly discovered in 206.
Miss Miner—The person behind all the grand costumes and style shows.

Miss Dirks—She brings us beauty through Music at Christmas and in music concerts.
Miss Chiles—She pulled us through Latin and made great friends of us all.

Mr. Poe—Enjoys explaining the insides of frogs to us squeamish individuals.
Mr. Garner—He really keeps the boys stepping with those gym hikes.
Miss Kohlman—She is the guiding light of Wheaton's cooks of the future.
Miss Vining—She really knows all of the x's, y's, and z's of math.
Miss Husted—Senior advisor really keeps things rolling with her new ideas.
Mrs. Lytle—The woman behind all of our grand plays.
Miss Sparks—Quiet, efficient, ready to help everyone in need.
Mr. Hodges—Besides teaching, he gives us track teams to be proud of.
Mr. Corbin—Takes the "risk" of teaching the boys how to use tools.
Miss Scharnweber—She teaches us how to write little marks so that we read words from them.
Mr. Sandholm—His jokes keep his business classes interesting.
Miss Lavin—New this year already she has made us her friends.

LITTLE SEVEN CO-CHAMPS

VARSITY FOOTBALL

Little Seven Victors

This year Wheaton copped her eleventh football conference championship through a lot of hard work by the boys presented in this section. The Tigers won six conference battles and lost one, in a terrific upset to Geneva, to finish the season as co-champs with Naperville. In the non-conference games, they tied Glenbard and lost to Riverside.

This year's eleven scored 190 points in conference competition while holding their opponents to 44, being unscored upon throughout five straight conference games.

Wheaton had one of the finest lines in the state this year, coupled with a strong passing attack, the Brunick-to-Duncan specialty being one of the most closely watched plays in the conference.

Bill Hopf was elected captain of next year's squad.

Eight of the team won individual honors this year. Jack Brunick and Dick Impey topped the list with awards of honorable mention on the all-state teams selected annually by Pat Harmon. Bob Duncan, Capt. Wendy Loveless, Don Patterson, John Durant, Jack Brunick, and Dick Impey were elected to the all-conference teams, with Harold Beutjer and Bill Hopf receiving honorable mention.

But I'm mighty

Glenbard 6, Wheaton 6

The Tigers, resuming play with the Bards after five years, started the season with a display of power and teamwork that boosted our hopes for another conference championship. Both scores were made in the first quarter: Glenbard's on a 65 yard run that had us in despair until Durant blocked a Glenbard punt. Dick Impey picked it up, and with the aid of some beautiful blocking, reached the goal line before he was stopped. That ended the scoring, although both teams threatened in the following quarters.

Riverside 20, Wheaton 6

Crippled by injuries, Little Butch suffered his second loss of the season at the hands of Riverside of the West Suburban Conference. The Tigers drew first blood, however, when Bob Duncan intercepted a Riverside lateral and carried it 35 yards to score. Wheaton threatened again a few minutes later, but the Ribs intercepted a wobbly pass and ran 85 yards to a touchdown. The Tigers rallied several times after this, but were unable to score.

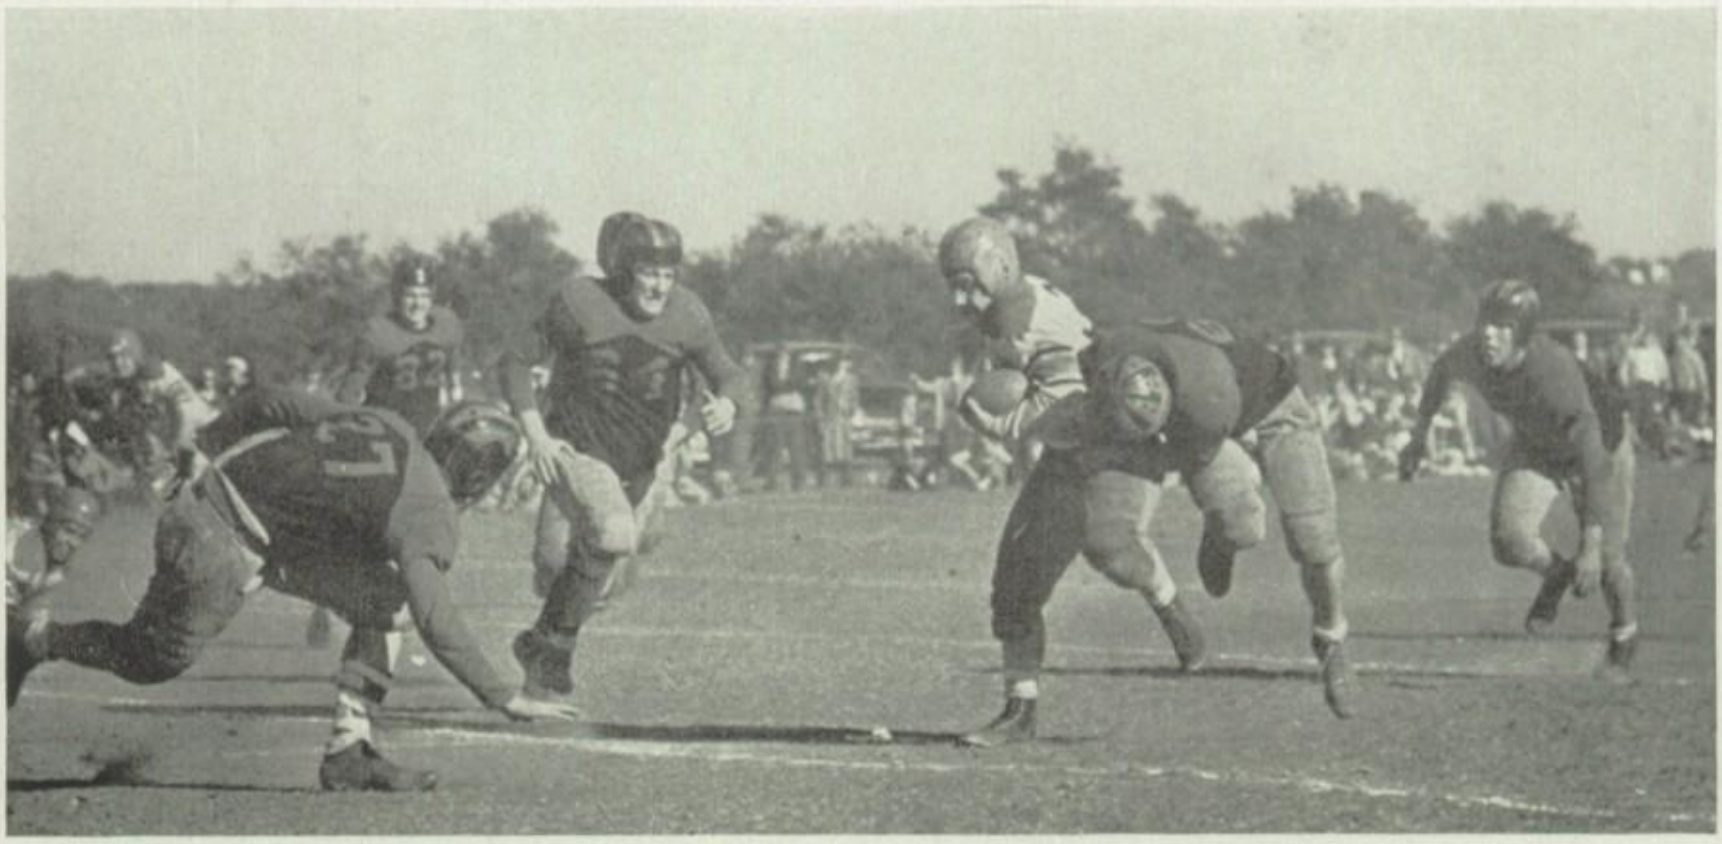
Bob Ohrs



West Chicago 13, Wheaton 14

Jack Brunick and Harold Beutjer scored two extra points that spelled the difference between victory and defeat as Wheaton scored her last win of the season against West Chi. Near the close of the first half, Durant scored from two yards out after picking up his own fumble. In the third quarter, however, the Wildcats took advantage of another fumble to score before anyone knew what had happened. Bob Duncan, in addition to being in on nearly every tackle of the game, further contributed to the victory by scoring a long pass one-handed on the 40, and outdistancing the We-Go backs to the goal line.

Sycamore 0, Wheaton 26

The first conference game of the season was an easy victory for the powerful Tiger eleven, reserves playing most of the game. The regular Wheaton line allowed Sycamore only one first down while in action. Fitzner, Karner, Durant, and Brunick made one touchdown apiece, while Hopf kicked the two extra points.

Saint Charles 0, Wheaton 32

The backfield had a rare old time at St. Charles intercepting 7 enemy passes. Sam Sublett snatched one of these and sprinted 83 yards to a touchdown, only to have the ball called back for clipping. Wilder took another of the Saint's wayward tosses for 51 yards and a touchdown that counted. Karner, Brunick, and Durant also scored on long runs, with Duncan taking a pass for the other score.

Naperville 0, Wheaton 14

Although Naperville threatened twice during the game, they were pretty well bottled up the rest of the game by the Tiger forward wall. In the first quarter, Beutjer carried a pass to the Redskin's one yard line, from where Brunick plunged to score. Hopf kicked the conversion. In the fourth period, Durant scored on a plunge and Hopf faked a kick and passed to Brunick for the extra point.

Dundee 0, Wheaton 44

The Tiger forward wall held the Cardinals to a grand total of Zero first downs, while the Bengal backfield piled up 17. Having complete control of the game, Wheaton completed 9 passes and intercepted four of Dundee's passes with Brunick making 3 touchdowns, Durant, two, and Karner and Duncan one apiece.

Batavia 0, Wheaton 54

Remaining unscored upon throughout their fifth conference game, the Tigers ran wild over a light but extremely fast Crimson eleven. Jack Brunick had a field day, completing 13 of 21 passes, scoring 25 points, and faking a punt on fourth down for a 55 yard touchdown run. Durant, Karner, Beutjer, Armbrust, Duncan, and Hopf also scored.

FROSH-SOPH. FOOTBALL

This year, the Wheaton lightweights won two games, lost two and tied three to finish fourth in the conference. They lost both non-conference games.

Although they won only two games, the ponies were really on the ball the greater part of the season, particularly in the Geneva game, when they outplayed the undefeated Viking lightweights in a 7-7 deadlock. Also noteworthy is the fact that they held Riverside's unscored on team to five first downs in their last game of the season.

Dick Mize, Bob Mount, and Frank Golder, were the outstanding sophomores of the season, and they will probably figure prominently on next year's varsity team. Bob Hadley, Tommy Hull, and Harry Bauler were the most promising freshmen.

VARSITY BASKETBALL

In their first conference game, the Tigers made everybody sit up and take notice as they nosed out Dundee's defending champs, 29-27. The rest of the first round was marked with no losses, although Naperville and Sycamore furnished plenty of trouble. The team always came through in the pinches, however, with the cool and speedy play necessary to turn the tide.

In the second round, Wheaton again defeated Dundee in a double-overtime game, but St. Charles, who really got hot near the end of the season, and also enjoyed a victory over Dundee, handed the Tigers their only conference defeat in a hard-fought overtime game. However, the Tigers finished the season with their first undisputed Little Seven Championship since 1929.

They lost both games in the holiday tournament at Clinton, but won a trophy for outstanding sportsmanship among the teams entered in the meet. In the state playoffs, Wheaton reached the finals in the sectional tournament, where Elgin ruined the team's hopes of going downstate with a 43-30 decision.

FROSH-SOPH BASKETBALL

This season, the Tiger minors finished in fourth place in the conference, with eight victories and six defeats in Little Seven competition. In their non-conference games, they divided two games with York, beat East Aurora, and lost to Glenbard and Marmion.

The lights held first place throughout the first three conference games, with victories over Dundee, Batavia, and West Chicago, then Naperville set them back with a 35 to 15 decision, initiating a series of losses for the Cubs which lasted throughout the rest of the first round.

In the second round, Dundee avenged its initial loss to Wheaton with a 28 to 26 victory over the Cubs, who moved up to fourth place the following weeks by defeating Batavia, West Chicago, and Naperville. The team subsequently lost to Geneva and defeated St. Charles and Sycamore to finish fourth in the league.

TENNIS

The 1945 season saw eight boys reporting for practice with the tennis team, now in its third year. Last year's team posted a record of three victories and five defeats, tying Marmion in a four match meet. Letters were awarded to Don Shaner, Logan Shillinglaw, Frazier Whitehead, Joe Reinhardt, Jerry McCarthy, and Dick Impey.

This year, the baseball team, with five lettermen from last year's squad, successfully played one of its toughest schedules since it was organized. The '44 team finished the season with a record of five won and four lost. Lefty Arens took the lead in hitting with an average of .455.

Anyone seen T. Callinan?

Treascott's team won the intramural basketball championship in a field of seven teams. Carl Vining totaled 202 points for a new scoring record and also set a new game record of 35 points. Si Siegel's team led the softball league that was formed last year.

G. A. A.

Under the leadership of our officers, President Rosemary Rick, Vice-President Barbara Phillips, and Secretary Treasurer Diana Amoss, and under the guidance of Miss Werner, the G.A.A. started the year with touch football, soccer, and speedball. We played basketball all winter, and baseball and tennis in the spring. Our social activities included pot luck suppers, hiking parties, and play day.

CLUB PREVIEWS

STUDENT CONFERENCE

The election last fall and the election last spring were proved to be eventful happenings around school. There was much campaigning done for the second election and the officers which were elected then will remain in office until next year. The assembly program displayed the candidates in their form.

The conference did its best to make the year of 1945 the best one the school has ever had. Even though they found it necessary to have a "heart to heart" talk with the student body on pressing issues, they really did a lot for the students.

The officers for the first part of the year were, president, Arnold Strassenburg, vice president, Bob McAssey, secretary, Nancy Sayre, and treasurer Mary Lou Pawlik. The officers for the second semester were John Karner, Dick Gilbert, Betsy March, and Barbara Rauch.

FORTUNE GUILD

Feathers in the Gale was presented for the public in the spring by the dramatic members of Fortune Guild.

The other plays put on at the meetings were very entertaining, but exclusively for club members.

ART

Art Club members spent most of the year making things for the Red Cross, toy elephants, stocking dolls, and stationery folders. How they loved to finger paint! Can we blame them? The club chose Lois Jacobsen as its president, Margaret McLaughlin as vice-president, Virginia Callinan as secretary-treasurer.

G. R.

Plenty of pictures were snapped at the Heart Sister Party.

HI-Y

The officers of Hi-Y this year were Jack Baschen, president, Lewis Gary, vice-president, and program chairman, secretary and treasurer, Bob Berry.

Discussions on chosen topics and guest speakers furnished plentiful material for their regular meetings.

PROGRESS IN THE SCIENCE FIELD

CAMERA P. A. AND MOVIE

The scientific-minded men of our school who were interested in cameras and photography, motion-picture projectors and microphones, found great pleasure in their chosen club. Mr. Faust was adviser for the Camera Club and was very much interested in photography himself. Mr. Burger had charge of the P. A. Crew (Public Address) and the movie crew was under the supervision of Mr. Poe.

CAMERA CLUB

Most of the members of this club were primarily interested in photography in all its phases. If it had not been for the members of this club, there would be no pictures in this annual.

Back Row: DEBES, VOELZ, BOARD, CARLSON, MACKENZIE.
First Row: CHARLES, CHARLES, PATTERMAN, KRAL, BOYER.

"A BOOK OF VERSE, A JUG OF WINE"

G. A. P. SCRIPT, POETRY

These clubs, G. A. P., Poetry and Script, belonged to Miss Felgar. She gathered all her literary chicks and carefully tucked them under her sheltering wing. "Eat and meet your friends" was the general purpose of the Pooh Club, while the Poetry Club enjoyed their poems. Both of these clubs met in the homes of members and enjoyed the delicious food served by the host or hostess.

The officers of the Poetry Club are: Audrey Harris, President, Mary Besore, Vice-President, and Secretary.

G. A. P.

The "Pooh" club had only two meetings, Christmas and initiation. Alumni were invited to attend both of those.

Third Row: Safford, Holmes, Gary, Jenks, Wilder, Impey, Krueger, Reinhardt, Karner, Johnson, Besore, Monson.
Second Row: Glidden, Langan, McMahon, Oakes, Skinner, Knight, Pyne, Hull, LeGrand, Carlson, Gardner, Baschen, Harris.
First Row: McJunkin, Abbott, Gilbert, Hardy, Piper, Jones, Horsch.

SCRIPT CLUB

This club's constitution provided for ten members only. During the year they were required to read something of their own composition at every meeting. Perhaps one or more of its "distinguished" members will become world famous authors or poets—who knows?

Second Row: Jenks, Gardner, Tanner, Harris, Moore.
First Row: Piper, Hull, Knight, King.

POETRY

That Poetry Club members wrote poetry is a mistaken idea. The poems, read at meetings, were usually based upon some theme or beloved poet.

Fourth Row: Gary, Impey, Moore, Montgomery, Monson.
Third Row: Mundy, Sollenberger, Gardner, Reinhardt, Jenks, Johnson, Gilbert.
Second Row: Langa, Loerzel, Wage-Pyne, Knight, Krueger, McJunkin, Hardy.

EDITORS IN THE MAKING

WECOMI, BROADCAST, AND REPORTERS CLUB

There was much work to be done before the Broadcast and Wecomi were ready to go to press. The write-ups, games, important happenings about school, and school life in general—pictures to be taken and developed, cartoons to be drawn—all these things are necessary for any book or paper. Miss Husted and Mr. Faust advised and corrected any mistakes we made in editing the Wecomi.

The Library assistants and members of the Usher Crew helped the students by the various activities of their respective clubs.

READY TO SERVE

Much of the credit for a successful year in G. R. should be given to Jan Turner, senior program chairman. The speakers and entertainment she provided were outstanding. Miss Husted gave a speech just before Thanksgiving which touched the heart of every member present.

All of you would have enjoyed the heartsister party and those who were present did. The program was very funny but a little embarrassing. (Wasn't it girls?)

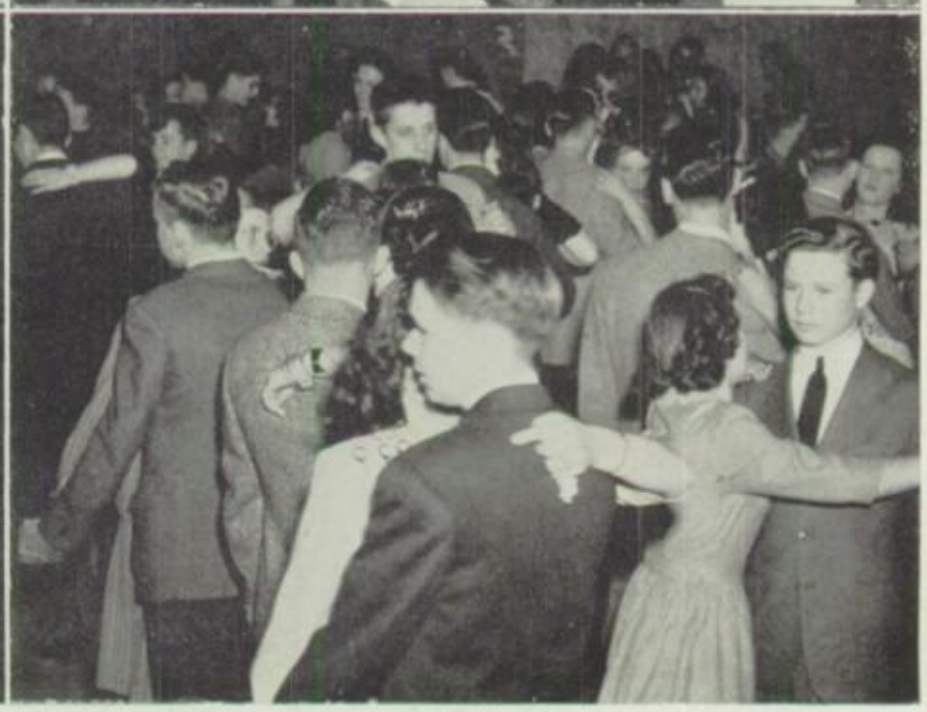
The Girl Reserve Heartsister Party is always a gay affair. Members of each class gave a short skit; it really was fun from "kindergarteners" to "Bundle Bunnies." The Big Sisters and the Little Sisters all got some mighty swell gifts and we have all made some wonderful friends.

The first big social affair this year was the reception for the freshmen given by the sophomores, held in the cafeteria. The music was furnished by our own "Lamplighters." The refreshments and decorations were enjoyed by all. The kids had a good time afterwards, too, didn't you Froshs and Sophs?

Marion Tullar and her Social committee have done a swell job this year. One of the new affairs they tried, was the all-school picnic. Little lunches were packed for all of us and were certainly good! The entertainment was loads of fun, and everyone had a super time.

We found out this year that we have some great actors in our junior class. Mrs. Lytle deserves a great deal of credit for putting on this play as well as the Fortune Guild Play. You kids really did swell, too, and we are all proud of you.



Marion and her committee put on the Hardwood Hop, honoring the basketball teams —which was something new this year. Janet Turner, the queen, awarded the prizes to Art Armbrust and Bill Scott; Shirley Verna and Lee Kemble; Jean Vogel; and Grace McAuliff. I hope this becomes a tradition of Wheaton High.

Every year the Prom is really something that every one looks forward to all year, and each year it gets better. The Prom was really super last year over at the Baker Hotel, but it was every bit as good this year.

The Senior Girls Dance is getting to be a tradition around here. This year all the junior and senior girls donned their formals, and the fellows in their best "bib and tucker" arrived at Acacia Hall in Glen Ellyn. The music was furnished by the Glen Ellyn Dance Band.

After every basketball game we all hope that there will be a dance afterwards. The "Lamplighters" give out with some really smooth music. (Of course, there is always some jive for those who want it!) These dances were swell times for all the kids to get together and really have fun.

The school year of 1944-1945 brought many new things into the lives of the students of W.C.H.S. We started the year with an entirely different period schedule which baffled most of us for a while. However, undaunted, we went about our school work, and every week-end we went to cheer our football team on to new fame; we were the Little Seven Champs you will recall.

On October 20 the long heralded "All School Picnic" took place. We all marvelled at its success and hoped that it started an annual affair.

To a swell guy who is always around with plenty of bandages. Frank

Will you ever forget the famous line, "I'm dying Egypt, dying!" in the uproarious Junior Play?

About the same time that the Warrenville students were arriving late every morning because of transportation trouble, we were shocked by a pair of "pea green" pants worn by a prominent senior boy. It wasn't long before every well-dressed boy had a bright colored pair.

Craftsmanship

HAS BEEN THE KEYNOTE of Rogers yearbooks for thirty-seven years. And it will continue to be our ideal, because responsibility to see that your publication is well printed is shared by the entire organization.

The Rogers tradition of sincerity and quality has been recognized by many schools as a security to the institution and an inspiration to the staff.
